

CONSTANT –PI 2012:Department of Mathematics

The inauguration of Mathematics Association for the year 2012, MATHSTAT-2012' was held on 9th August 2012 in the college auditorium. The association was inaugurated by the Chief Guest Dr. P. Venkatesan who is a Scientist and the Deputy Director in National Institute for Research in Tuberculosis at Indian Council of Medical Research. He enlightened our students with his valuable reflections based on his own rural background experiences. I thank Ms. Sharmila, the Head of the Mathematics Department and Mr. Suraj for their efficient work.

CONSTANT –PI 2013:DEPARTMENT OF MATHEMATICS

The Inauguration of Mathematics' Association 'MATHSTAT-2013' and Seminar on 'Application of Statistics' for the year 2013-14 was held on 1st October 2013 in the college auditorium. The Association was inaugurated by the chief guest Dr. M. Asekaran, Assistant Prof. of Mathematics, Government Arts and Science College, Tirutani. He enlightened the students with his valuable seminar. Students also presented papers on the topic.

On 4th February 2013 the department of Mathematics conducted its First Maths exhibition at various venues inside the college campus. Their events were role play, models, charts and Maths games. Students participated in all the events with interest and enthusiasm. This exhibition made students to shed the fear of Mathematics. Heartfelt thanks to the Department of Mathematics, Ms. Sharmila, the Head of the Department & Mr. Dasarathan for their efficient work.

CONSTANT - II (PI) 2015: DEPARTMENT OF MATHEMATICS

* The Department of Mathematics organized constant - n(PI) Mathematics Exhibition as its association activity on 6th Feb. 2015. The following events were conducted.

- * Display of charts related to mathematics and statistics
- * Presented Role Models
- * Displayed Working and non Working models related to subject
- * Demonstration of statistical software Package
- * Conducted Mathematical games
- * Organized Quiz.

All the students participated in all the events enthusiastically and it was a great learning experience for all of them.

CONSTANT - 2017: DEPARTMENT OF MATHEMATICS

As part of the association activity the department of Mathematics organized Mathematics Exhibition with the Theme “Illuminate” on 4th February 2017. More than 100 charts and 3 models were exhibited all over the campus. Video shows, Power Point Presentation, Quiz, Arithmetic games SUDUKU were other attractions during the exhibition. Students were thrilled to know that they can solve the mathematical Problems so easily and answer the questions asked in the Quiz.

Ea – 2019 (Enhance Acuity In Mathematics)

As part of the association activity the Department of Mathematics have organized Mathematics Exhibition with the Theme ‘Enhance Acuity in Mathematics’, on 2nd February 2019. Nearly 200 Charts and 20 Models with mathematical concepts and formulae were exhibited at Science block and Arts block. Video shows and arithmetic games were other attractions during the exhibition. Besides these they conducted Memory test and Aptitude tests to improve and grasp the mental ability skill on the previous session. Finally the winners were awarded on that day.

E.A – 2020 (ENHANCE ACUITY IN MATHEMATICS):

As part of the association activity the Department of Mathematics conducted exhibition with the theme ‘Enhance Acuity in Mathematics’, on 2nd February 2020. Nearly 200 charts and 20 models with mathematical concepts and formulae were exhibited at Science block and Arts block. Video shows and arithmetic games were other attractions during the exhibition. Besides these they conducted memory test and aptitude tests to improve and grasp the mental ability skill on the previous session. Finally the winners were awarded on that day.
