On 2nd August 2026, students participated in Volleyball game and secured 3rd place in the Intra-College Sports Competition at Don Bosco College of Agriculture (DBCA), Sagayathottam.

FACULTY DEVELOPMENT PROGRAMME

BY IQAC

The Faculty Development Programme (FDP) commenced by invoking the blessings of the Almighty on 08.08.2026. The prayer session was conducted by Ms. Sandhiya, Assistant Professor, Department of Computer Science. This was followed by the Welcome Address delivered by Ms. Jones Miracine, Assistant Professor, Department of Commerce, who formally welcomed the dignitaries, faculty members, and participants to the programme. The introduction of the Chief Guest and Resource Person was then given by Mrs. Divya Bharathi, Assistant Professor, Department of English.

The session commenced with the theme *“Building a Researcher: Academic Excellence, Ethical Values and Inner Quest,”* with the objective of enhancing the research skills and academic capabilities of faculty members. The session was delivered by Dr. M. Jaccob, M.Sc., Ph.D., Assistant Professor, Department of Chemistry, Loyola College (Autonomous), Nungambakkam, Chennai. The session was highly enlightening, as the resource person shared his extensive knowledge and experience in the field of academic research. He provided insights into the aspects of research writing and emphasized the importance of presenting research ideas in a clear, systematic, coherent, and meaningful manner. Overall, the seminar was an enriching and memorable learning experience.

CRISTA

BY III BBA (II)

The Department of Business Administration, III BBA (Section–2), organized a CRISTA titled “3D – *Drugs Destroy Dreams*” with the objective of creating awareness among students about the harmful effects of drug abuse and its impact on health, family, education, confidence and future aspirations.

The program was presented in an innovative and engaging manner through a “Museum of Dreams” concept. The event began by portraying different students with dreams of becoming doctors, engineers, teachers, scientists, police officers and professionals in various fields. This effectively highlighted that every student has a valuable dream and a future worth protecting.

The central character, Mr. D, initially appeared as a friendly stranger who offered an easy solution to stress and pressure. Through the progression of the program, his true identity was revealed as “Drugs.” The presentation demonstrated how drugs can begin with seemingly small choices and gradually take away a person's health, family relationships, confidence and dreams. The use of black cloth to cover the dreams symbolically portrayed how drug abuse can make aspirations disappear.

The program also conveyed an important message of hope and recovery. The support of parents and friends, together with the guidance of a rehabilitation counsellor, showed that a mistake does not have to determine a person's entire future. The student ultimately chooses life, hope and dreams, emphasizing that asking for help is an act of courage.

The event concluded with the return of the dreams, where students confidently declared that they still wanted to save lives, build the future, teach, fly, discover, serve and inspire. The meaning of 3D – Drugs, Destroy, Dreams was then revealed, followed by a powerful collective message: “Say No to Drugs” and “Let Your Dreams Fly High.”

Overall, the program was meaningful, thought-provoking and impactful. It successfully combined awareness, creativity, symbolism and student participation to communicate a serious social message in an understandable and memorable way. The event encouraged students to make responsible choices, value their dreams and understand that a drug-free life is essential for a healthy and successful future.

CRISTA

BY III BCA (I)

As part of the CRISTA activities, a programme on the topic “Reel Vs Real” was organized for the students of III BCA – I Section on 19 August 2026 (Wednesday). The programme was conducted with the guidance and support of the Class Counsellor, Mrs. J. Jayapriyadharisini, Department of BCA. The programme was organized with the objective of creating awareness among students about the difference between the content presented through social media, films, reels, and other digital platforms and the realities of everyday life. In the present digital era, students are increasingly exposed to short videos, social media posts, advertisements, and digitally enhanced content. Therefore, understanding the difference between what is portrayed and what is actually real is essential.

The session focused on how social media can influence students' perceptions of success, beauty, lifestyle, relationships, career, happiness, and personal achievements. Students were encouraged to think about whether the situations shown in reels and other digital content accurately represent real life. An interactive discussion was conducted among the students. They shared their opinions, experiences, and observations regarding social media reels and real-life situations. The discussion helped students recognize that real life includes both achievements and challenges, whereas social media often presents only selected and attractive moments.

The following important aspects were discussed during the activity:

1. Reel Life vs Real Life
2. Social Media Influence
3. Filters and Editing
4. Unrealistic Comparisons
5. Success and Career
6. Relationships
7. Responsible Digital Usage

The activity encouraged students to think critically, avoid unrealistic comparisons, use social media responsibly, and give greater importance to real-life experiences and personal growth. Overall, the programme achieved its objectives and provided valuable awareness to the students.

CRISTA

BY III BCA (II)

As part of CRISTA 2026, the students of III BCA – II Section of Christ Arts and Science College, Kilachery, presented an informative and socially relevant programme titled “GEN Z PROTEST” on 22 August 2026. The programme focused on the concerns and challenges faced by the present generation of students in the context of competitive examinations and the pressure associated with higher education.

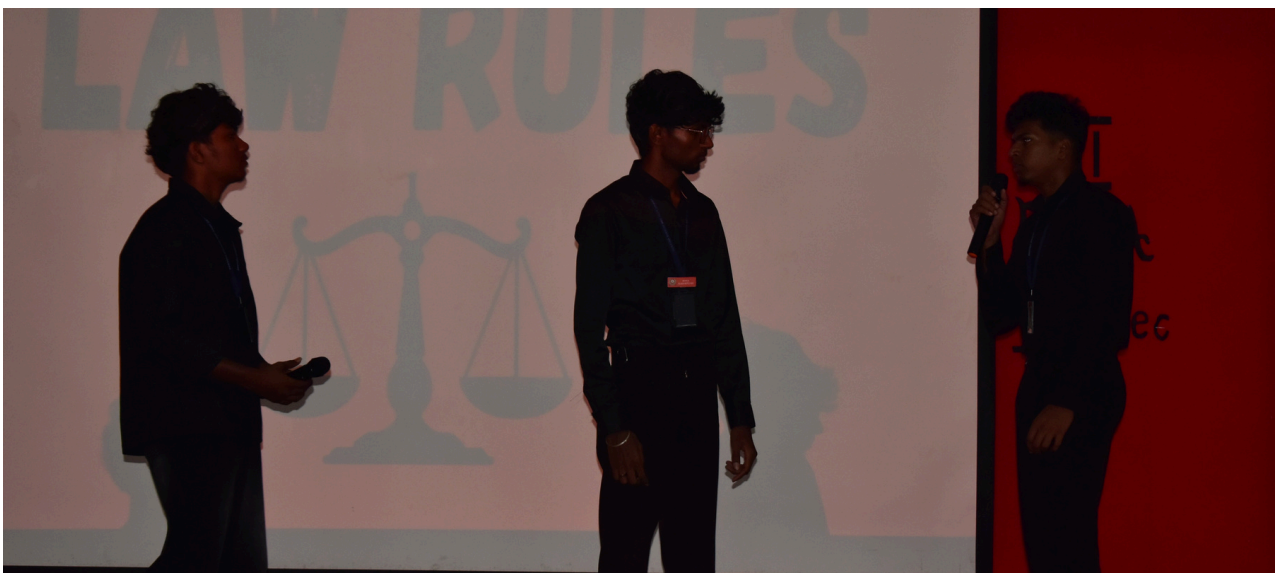

The presentation provided an opportunity for students to express their views on the existing competitive examination culture and encouraged the audience to reflect on the challenges faced by young people while pursuing higher education and career opportunities.

During the programme, the students discussed major competitive examinations such as NEET (National Eligibility cum Entrance Test) and JEE (Joint Entrance Examination). They explained that such examinations play an important role in admission to several professional higher-education programmes. At the same time, the students highlighted the intense competition associated with these examinations and the preparation required to perform well.

Impact of Competitive Examination Pressure

- Academic Impact
- Social Impact
- Financial Impact
- Career Impact
- Personal Development

Overall, the programme achieved its objectives and provided valuable awareness to the students.

SEMINAR SESSION

BY B.COM.'S ASSOCIATION "CAPITA"

The Department of Commerce, Christ Arts and Science College, Kilachery, Thiruvallur, organised a Commerce Association Seminar titled "CAPITA 2026 – The Role of Commerce Graduates in Entrepreneurship and Business Growth" on 17.08.2026 at the SMR Auditorium from 10.00 a.m. to 1.30 p.m.

The programme commenced with the Welcome Address delivered by Srimathi, II B.Com. I Section. The Resource Person, Dr. Smilee Bose, Professor and Head, Department of Management, St. Peter's Institute of Higher Education and Research, Avadi, Chennai was introduced by Dr. M. Sudhakar, Assistant Professor, Department of Commerce.

Dr. Smilee Bose delivered an insightful and informative lecture on the importance of entrepreneurship and business development for commerce graduates. She highlighted several important aspects, including:

- Developing an entrepreneurial mindset among commerce graduates.
- Exploring opportunities in start-ups and emerging businesses.
- Developing essential skills for business growth and sustainability.
- Understanding the role of commerce graduates in the changing business environment.

The session was highly interactive and engaging. The students actively participated in the discussion and interacted with the Resource Person. During the feedback and interaction session, students asked various questions related to entrepreneurship, start-ups, business opportunities and the skills required for successful business growth. Dr. Smilee Bose responded to their questions and provided valuable guidance and practical insights.

The Resource Person was honoured by Reverend Father Pradeep Christopher, Dr. Aravindan, Vice-Principal, Dr. A. Suresh Kumar, Dean-Arts, and Dr. Marina Roseline, Head of the Department of Commerce.

The programme concluded with the Vote of Thanks delivered by Nikitha, II B.Com. II Section.

AWARENESS PROGRAMME

BY B.A. ENGLISH'S ASSOCIATION "EVOLV"

As part of the English Department Association "EVOLV", the students of III B.A. English conducted an Extension / Outreach Programme at Sacred Heart Higher Secondary School, Kilachery on 21st August 2026.

The programme commenced at [11.30 AM] with a prayer song by the school students. The Headmistress, Rev. Sr. Emelda, welcomed the college team and granted permission to conduct the session. She appreciated the initiative of the college in choosing a socially relevant topic for school children.

The session was handled by the III B.A. English students in two parts:

Part A - Mekedatu Dam Project Awareness:

Students explained in simple Tamil and English:

- What is Mekedatu project? Location at the confluence of Cauvery and Arkavathi in Karnataka.
- Why Karnataka proposes it? Drinking water for Bengaluru and power generation.
- Why Tamil Nadu opposes? Impact on Cauvery water flow, livelihood of Delta farmers, violation of Supreme Court verdict 2018.
- Present status of the project and role of Central Water Commission.

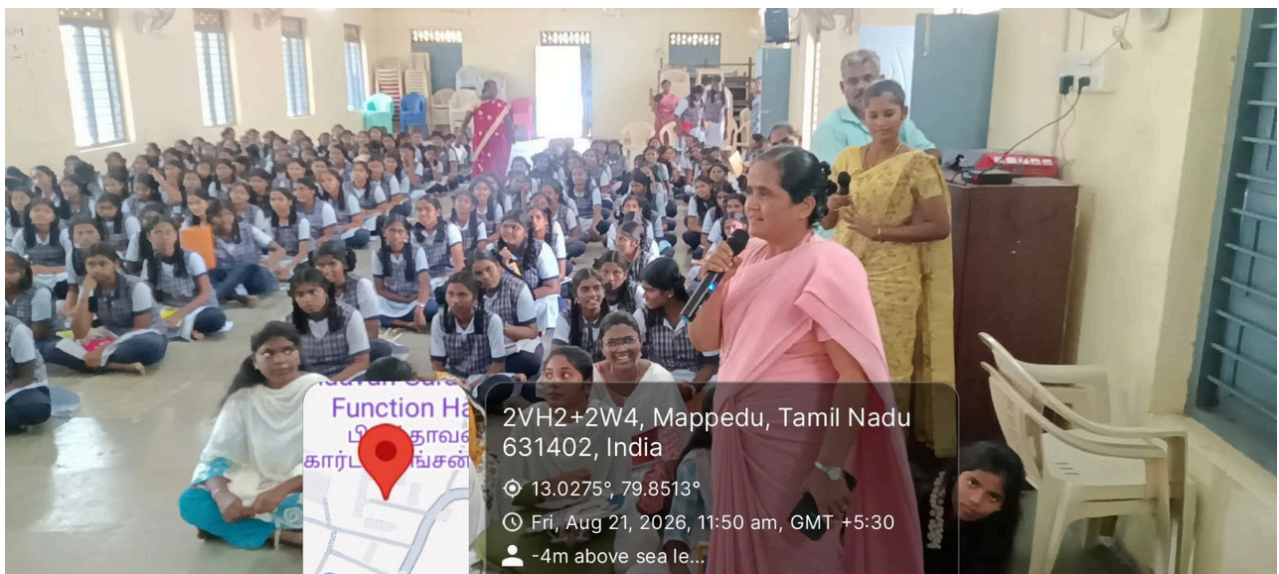

Part B - Importance of Water:

The second session focused on value-based awareness:

- Water as gift of God and basic human right.
- Current water crisis, water pollution and wastage.
- Small practices for water conservation at home and school - closing taps, rainwater harvesting, avoiding plastic.

The XI Std students actively participated with questions and shared their own experiences of water scarcity in their villages.

The programme concluded with a Vote of Thanks by Sangeeta, III B.A. English. The Headmistress thanked the Department of English and distributed sweets to the children.

AWARENESS PROGRAMME

BY DEPARTMENT OF TAMIL'S ASSOCIATION "KANITHAMIZH PERAVAI"

An awareness programme for school students was organized by the Department of Tamil's Association "Kanithamizh Peravai" with the approval of the Principal and Father. The programme was held on Monday, 24 August 2026, at Maduramangalam Government Higher Secondary School.

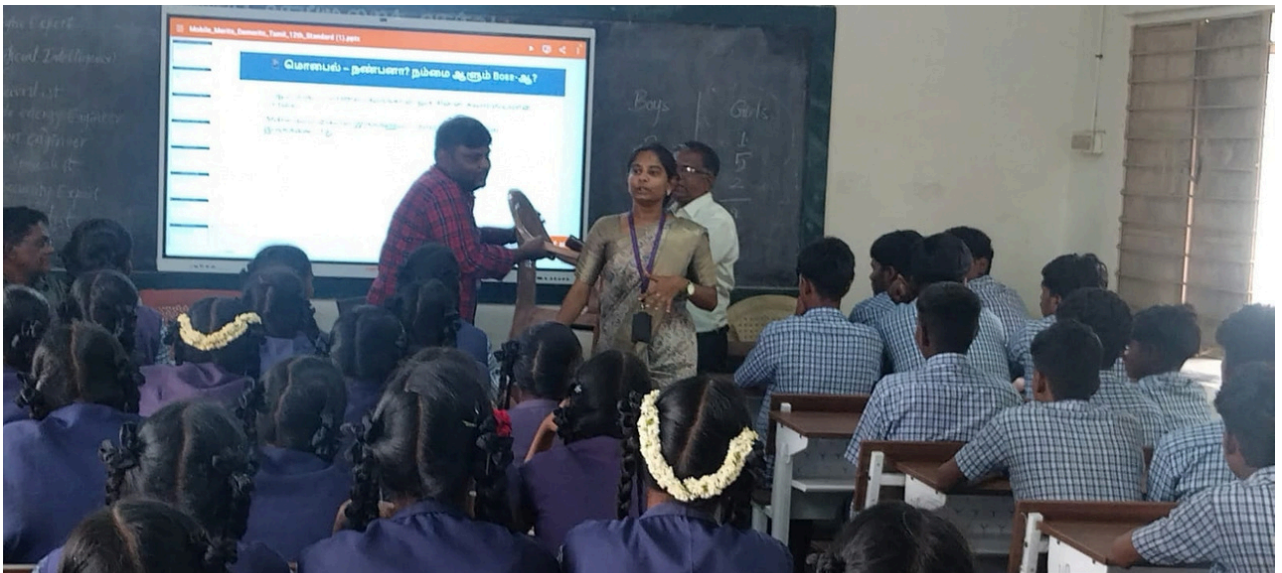

The theme of the programme was *"The Advantages and Disadvantages of Mobile Phone Usage in the Modern Era."* On this occasion, our college faculty member, Ms. Keerthana from the Department of Computer Applications, delivered an awareness speech to the students on the appropriate use of mobile phones and their advantages and disadvantages.

The welcome address was delivered by the School Assistant Headmistress, Dr. Shankar. Following the welcome address, the School Headmaster, Mr. V. Anandan, spoke about our college and the theme of the programme.

The concluding remarks and vote of thanks were delivered by Mr. Samraj. S.A., Coordinator of the Kanithamizh Peravai. Our college librarian, Mr. Ashok, was also present and extended his support throughout the programme.

The event concluded with the National Anthem.

AWARENESS PROGRAMME

BY YOUTH RED CROSS

The Internal Quality Assurance Cell (IQAC), in association with the Youth Red Cross (YRC), organized an Organ Donation Awareness Street Play on 25 August 2026 at Pannur, Susaipuram village as part of its community outreach and extension activities.

A total of 27 student volunteers, accompanied by the YRC Coordinator and YRC student office bearers, actively participated in the programme. The event began with a brief awareness talk highlighting the importance of organ donation and its potential to give a new lease of life to individuals suffering from organ failure.

The students performed an informative and impactful street play portraying the importance of organ donation, the urgent need for donors, and the positive impact of transplantation on patients and their families. The performance also addressed common myths and misconceptions surrounding organ donation and emphasized the importance of making informed and responsible decisions.

The students conveyed key messages such as “Donate Organs, Save Lives” and encouraged the public to discuss organ donation with their family members. The street play highlighted how a single donor can potentially help save or improve the lives of multiple individuals.

The interactive performance attracted a large gathering of commuters, shopkeepers, and local residents. The audience showed keen interest in the awareness messages and actively interacted with the students. The programme received an encouraging response from the public and successfully created awareness about the noble cause of organ donation.

AWARENESS PROGRAMME

BY WOMEN CELL

The Women's Cell, in collaboration with the Singappen Special Force and the Women Development and Health Department, Tiruvallur District, organized a Women's Health Awareness Programme on 27.08.2026 from 10:30 a.m. to 1:30 p.m. at the SMR Auditorium, Christ Arts and Science College. The programme was organized with the aim of creating awareness among students about women's health, well-being, menstrual hygiene, and safety. The primary objective of the programme was to create awareness among women students about their general health and well-being. Sub-Inspector Ms. Mala from the Singappen Special Force, Dr. Harshavardhini, Block Medical Officer, and Ms. Thenmozhi, District Resource Person, Women Development Department, served as resource persons for the programme.

The first two sessions were conducted for both male and female students, while the third session was conducted exclusively for female students. Both male and female students actively participated in the programme. Dr. Harshavardhini addressed both male and female students on women's general health and well-being. Through a PowerPoint presentation, she provided information on major health concerns affecting women and discussed appropriate ways to prevent and address these health problems. She also highlighted the role of men in promoting and supporting women's health and well-being, thereby encouraging greater awareness and shared responsibility among students.

Ms. Thenmozhi, District Resource Person from the Women Development Department, addressed both male and female students on menstrual hygiene and the health concerns associated with menstruation. She explained the importance of maintaining proper menstrual hygiene and discussed the common challenges experienced by women during menstruation. She also interacted with the male students and encouraged their active participation and understanding of menstrual health, promoting a supportive and informed approach towards women's health.

The Sub-Inspector from the Sigappen Special Force provided practical guidance to women on the essential dos and don'ts to be followed during situations of danger. She also demonstrated appropriate safety measures and self-protection techniques that women can adopt when they are alone or facing a potentially dangerous situation.

The session focused on enhancing awareness, confidence, preparedness, and the ability to respond appropriately during emergencies. She also shared the sigappen official contact number and also her number to the students and instructed them to contact her during emergency situation. During demonstration, the students volunteered themselves and participated actively. The Women's Health Awareness Programme was successfully conducted with active participation from both male and female students.

AWARENESS PROGRAMME

BY ALL INDIA CATHOLIC UNIVERSITY FEDERATION

As part of its social responsibility and community outreach initiatives, the AICUF (All India Catholic University Federation) of Christ Arts and Science College, Kilachery organized a Drug Awareness Programme at Government Boys Higher Secondary School, Perambakkam, on 28 August 2026.

The programme was organized with the objective of creating awareness among school students about the harmful effects and serious consequences of drug and substance abuse. The initiative focused on educating young people about making healthy choices, avoiding harmful substances, and understanding the importance of a responsible and drug-free lifestyle.

Following the street play, the AICUF students interacted with the school students and emphasized the importance of:

- Staying away from drugs and addictive substances.
- Choosing positive friendships and social environments.
- Avoiding peer pressure.
- Concentrating on education and career development.
- Participating in sports and other healthy activities.
- Maintaining good relationships with parents, teachers, and friends.
- Seeking help when facing emotional, academic, or personal difficulties.
- Understanding that drug abuse can affect both an individual's present life and future aspirations.

The students were encouraged to become responsible young citizens and ambassadors of a drug-free society.

The programme involved AICUF student volunteers from Christ Arts and Science College, Kilachery, who actively participated in the preparation and presentation of the street play and awareness activities.

AWARENESS RALLY

BY NATIONAL SERVICE SCHEME

A Road Safety Awareness Rally was successfully organized on 24 August 2026 by the National Service Scheme (NSS) of Christ Arts and Science College, Kilacheri. The rally was conducted from Mapedu to Kilacheri, with the enthusiastic participation of more than 50 NSS students who demonstrated a strong sense of social responsibility.

The main objectives of the rally were to create awareness among the public about preventing road accidents, educating people about traffic rules, and promoting safe road usage. During the rally, NSS students carried awareness placards and conveyed important road safety messages to the public. They emphasized several essential safety practices, including:

- Wearing helmets while riding two-wheelers.
- Wearing seat belts while travelling in four-wheelers.
- Properly following traffic rules and road signs.
- Avoiding rash, reckless, and distracted driving.
- Refraining from using mobile phones while driving.
- Never driving under the influence of alcohol or other intoxicating substances.

The rally received excellent cooperation from the police personnel of Mapedu Police Station. With the guidance and security arrangements provided by the police, the rally was conducted in an orderly and safe manner. The joint efforts of the college NSS students and the police personnel played a significant role in the successful conduct of the programme.

The event not only enhanced the students' practical knowledge of road safety but also helped develop their sense of social responsibility, spirit of service, leadership, teamwork, coordination, and communication skills with the public. The programme also emphasized the important message that road safety is not solely the responsibility of the police or the government; it is the responsibility of every road user.

With the enthusiastic participation of more than 50 NSS students and the valuable cooperation of the Mapedu Police Station personnel, the Road Safety Awareness Rally was successfully completed.

AWARENESS RALLY

BY RED RIBBON CLUB

The Red Ribbon Club (RRC) of Christ Arts and Science College organized a Drug Awareness Rally at Molachur Village on 31 August 2026. The rally was conducted with the active participation of the RRC Coordinators, staff members, and approximately 45 students. The Sunguvarchatram Police provided necessary protection and support for the safe and orderly conduct of the rally.

The main objective of the programme was to create awareness among the public, particularly young people, about the harmful effects of drug abuse and to promote a healthy and drug-free society.

The students carried awareness placards and raised slogans conveying strong messages against drug abuse. The rally proceeded through the important areas of Molachur Village, creating awareness among the local residents about the dangers of drug and substance abuse.

The Sunguvarchatram Police provided necessary police protection and assistance throughout the rally. Their support helped ensure the safety of the students, staff, and members of the public and facilitated the smooth and orderly movement of the rally.

The RRC Coordinators and staff members guided the students throughout the programme and encouraged them to actively participate in spreading awareness. The students enthusiastically conveyed the importance of saying no to drugs and adopting a healthy lifestyle.

The rally effectively conveyed the message:

“Say No to Drugs – Choose Life, Choose Health.”
